H.O. wine is made exclusively from grapes produced in Casa Agrícola Horta Osório, S.A., family vineyards where, apart from the “old vineyards” the best traditional grape varieties of the Douro were planted in unique “terroirs”.
- Grape varieties:** Only the best traditional Douro vines from old vineyards
- Region:** Cumieira, Baixo Corgo, Quintas Vale de Maria e Fojo
DOC DOURO
- Plantation density:** 2.800 vines per hectare
- Vinification tecnology:** The grapes are picked at their optimal stage of ripeness within 10 days during the third September week and transported in small 20 kg containers to the modern Winery.
The fermentation process takes place in stainless steel tanks at strictly controlled temperature.

Organoleptic Assessment

- Color:** Lively deep and purple color
- Aroma:** It presents a fine and distinct aroma, with typical Touriga Nacional character with red fruits and floral tips. The wood presents itself very discreet and well integrated into the wine.
- Flavor:** On the palate, it shows a great volume that sustains the power of the wine. Great balance at the same time that it´s so easy to taste and enjoy.
